

Pupil image consent form

During their time at St Aidan's, we may wish to film or take photographs of activities that involve your child for use in school displays, promotional publications and our website. There might be occasions where these would be published by the Local Authority or by local newspapers. Great care will always be taken in the choice of pictures to be used and if the child is identified in captions or text, only the first name will be used – surnames or addresses will never be given.

We require consent from parents/carers to use pupils' personal data for purposes other than for education or relating to their safety and wellbeing, etc. We would like to ask your consent for the following purposes.

Please tick yes or no for each statement and return this form to the school office.
