St Aidan's Sports Premium Plan and Impact 2017-18

What is the sports premium?

The primary PE and sport premium was introduced in March 2013 to improve the provision of physical education and school sport in primary schools across England. The £160 million per year funding (that has been doubled to £320 million in the year 1017-18 following the introduction of the sugar tax) is provided jointly by the Departments for Education, Health, and Culture, Media and Sport (DfE, DH, DCMS). The funding is allocated directly to primary schools and is ring-fenced. This means it may only be spent on improving the provision of PE and sport in schools.

The premium must be used to fund **additional** and **sustainable** improvements to the provision of **PE and sport**, for the benefit of primary-aged pupils and to **encourage the development of healthy, active lifestyles**.

Impact of the sports premium funding at St Aidan's so far (2013 – 2017)

- The curriculum map for P.E at St Aidan's ensures that the full range of age-appropriate skills are being taught in dance, gymnastics and games (as well as outdoor adventurous activities, athletics and swimming at Key Stage 2).
 - All teachers and some support staff have attended high quality CPD to develop subject knowledge and understanding of how to improve children's skills in P.E.
 - Children have opportunities to take part in extra-curricular clubs and competitive sporting events.
 - In pupil surveys, the number of children at St Aidan's who tell us they think it is important to be physically active and lead healthy lifestyles has increased from 77% to 87%.
 - Sanjuro is delivered before school three days a week.
 - Sports Enrichment sessions give children the opportunity to develop additional skills.
-

- An annual dance festival has been introduced to raise the profile of dance and give children the opportunity to perform to an audience.
- New resources, including enough balls for every child and more linking equipment for gymnastics, are ensuring teachers can deliver high quality lessons.
- The ball court has been resurfaced.
- Teachers have access to ipads to support feedback and assessment of pupils' progress in P.E.

Meeting national curriculum requirements for swimming and water safety	
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	55%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	55%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	93%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Aims and costs for the year 2017-18

Updated: 21.3.18

Aims	Strategies	Cost	Evidence and Impact
Physical Education For teachers to appropriately challenge and support pupils to make excellent progress in P.E	CPD through Haringey package. 'Health Check' day with Kim Henderson to look at our P.E provision.	Haringey CPD package £1350 + supply cover £2700 Included in Haringey CPD package	Five teachers attended PE CPD sessions in the Autumn Term (covering subject leader, gymnastics, advanced dance and Early Years / KS1 training). Teachers who have attended training have given positive feedback and identified activities and teaching ideas they will try as a result of the training. Health check day was held on 20.11.17. Following the health check, new resources were purchased to improve gymnastics provision and support differentiation in games.

	<p>Additional whole-school games training on INSET day.</p> <p>Update / replenish resources (balls, bean bags, floor dots, koosh balls, hoops, gymnastics equipment etc.)</p> <p>Design and repaint the lines in the playground to support team games and organisation during P.E lessons.</p>	<p>£250</p> <p>£2000</p> <p>£3000</p>	<p>Kim Henderson advised on the layout of our playground, shared useful websites, and suggested areas we could consider for future development.</p> <p>Kim Henderson delivered games training for teachers and LSAs on 3.1.18. The session developed our knowledge of progression from FS to KS2 and gave practical advice about how we can structure lessons and meet the needs of all pupils.</p> <p>New resources have decreased waiting time in P.E lessons, leading to an increase in physical activity. Old gymnastics equipment has been replaced with more versatile equipment and a storage trolley has been bought to allow easier access. Linking equipment for Nursery has been bought.</p> <p>Playground lines are scheduled to be repainted during the Easter holidays. An active trail has been included to increase physical activity at playtimes. Clearer lines will support children and teachers to organise the space quickly during games lessons.</p>
<p>For children to understand what a good learner in P.E looks like.</p> <p>For children to take on leadership roles in P.E lessons, reinforcing the qualities of a good learner in P.E.</p>	<p>Recruit a group of sports leaders to design a poster outlining what a good learner in P.E looks like.</p> <p>Encourage the children to come up with ideas for promoting and celebrating these different aspects of learning in P.E.</p>	<p>n/a</p>	<p>The 'Good Learner in P.E' poster has been made with the help of a group of pupils from KS2. The poster is on display in every classroom.</p> <p>Focus for the Summer Term.</p>
