

## Around the World in 80 Days

The pupils of St Aidan's are walking, scooting and cycling 21, 000 miles around the world in 80 days to raise money for the PSA. The challenge begins on Friday 8<sup>th</sup> January and we hope to arrive back at the school gates in 80 days on Monday 29<sup>th</sup> March.

If every child manages to cover 1.25 miles a day between now and then, together we'll cover the distance. That adds up to a very impressive 100 miles per pupil!

Last lockdown, 25% of children across the UK didn't leave their homes to do any exercise, so we are hoping not only to raise money for the school but also to encourage the children to be more active.

Everyone who takes part will receive a GIFT and the class that raises the most money will win a PRIZE!!

We have sent details on how you can sponsor your child – and please do ask friends, family, grandparents etc! Due to lockdown restrictions, we aren't collecting cash; instead we have a JustGiving page:

<https://www.justgiving.com/fundraising/staidanswalkaroundtheworldin80days>

Your child can send the sponsorship request form to friends and family who might want to donate. Please keep a log of their sponsors on their sponsorship form so we know which class is raising the most.

Each week on Sunday evening please can you return the MILES COVERED FORM to your class rep showing how many miles your child has covered that week and we will add it to their class total. At the end of the challenge (Sunday 28<sup>th</sup> March) please also return your sponsorship form.
