

Pupil image consent form

During their time at St Aidan's, we sometimes take photographs and videos of pupils. These images are used for things such as school displays and publications showing people what school life is like at St Aidan's. Their use helps us celebrate pupils' educational journeys and communicate the message of the school. If we use photographs or videos of individual pupils, great care will always be taken in the choice of images used and we will not use the full name or details of that child in the accompanying text or caption.

By ticking the boxes below, you are confirming whether you give consent for the school to photograph/video your child and use the images in the circumstances detailed. Please note that we may use the images up to five years after the pupil has left the school.

Please tick **Yes** or **No** for each statement and return this form to the school office.
